GUY L. WARREN PASSES AWAY.

Cashier of National Bank of South Carolina Dies at Age of Thirty-two.

From The Daily Item, April 12.

The people of the whole community were saddened this afternoon to hear of the death of Guy L. Warren at noon today at his home on Broad street, where he has been sick with pneumonia since the second of April. Taken ill while in church on last Sunday week, he steadily grew worse, despite all of the efforts of his physicians, until yesterday, when he was kept barely alive on stimulants until today shortly after noon. He died at the age of thirty-two with what only a few days ago seemed a bright future before.

The funeral services will be held at the Church of the Holy Comforter at 4 o'clock tomorrow afternoon, of which he was a member of the vestry. Interment will be at the Sumter cemetery following the funeral services.

Mr. Warren has been cashier of the National Bank of South Carolina of Sumter for nine years, having accepted a position with that institution in 1906. He attended the Citadel, from which institution he graduated second in his class in the summer of 1904. Following his graduation he taught for two years, being principals of schools at Mayesville and Greenwood, each for one term and leaving this profession to enter the bank as cashier. He was also a director of the bank and secretary and treasurer and a director of the People's Building and Loan Association.

The deceased was the son of Mr. and Mrs. A. G. Warren of this city, both of whom survive him. He is also survived by his wife, who was before her marriage, Miss Mary Burgess of this city, and two children, Guy L. Jr., a boy of about six years, and Margaret Hamilton, a little girl not quite two years old. Brothers and sisters surviving him are: Thomas J. A. R. M., and G. C. Warren; Mrs. H. R. Campbell, all of Sumter; Mrs. R. N. McLeod, Athens, Ga.; Mrs. Harry Hume, New Jersey.

The deceased was regarded as one of the prominent young business men of the town. He was well known and very popular in the city and among his wide circle of acquaintances outside of the city, and his death comes as a distinct blow to his many friends here, and in his death the city has lost one of its brightest young men.

News and Views of Pisgah.

Pisgah, April 11.—Frost and overcoats have been very comfortable for the last few days. Quite a frost was seen yesterday morning, but it did no material damage. Early planted corn is beginning to come up and cotton planting is rapidly going on. I don't think there is any difference in acreage of the staple crops. Oats generally are backward and poor. Wheat looks very well. A mistake was made in not planting more last fall, but 12c cotton turns many people's heads in the wrong way.

Mr. W. J. Josey, who has been quite sick, is improving.

Our worthy rural carrier, J. D. McLeod, is well again to the delight of his many friends and has resumed his regular work.

Jack Saxton, a worthy and highly respected colored man, died quite recently. He was honest and industrious and accumulated quite a comfortable property. He was an honor to his people.

The contest inaugurated by The Item and Watchman and Southern is interesting. The writer wishes that all the bright young ladies could get a prize. The contest is conducted on a high plane, and those who fail cannot feel the sting of defeat, for the manager has made it pleasant for all and impartial to each contestant.

The public schools will soon close and the big and little kids will have a rest.

The writer attended "The Birth of a Nation" and it was money well spent to see it. Memories of long ago were revived and facts and conditions as existed were brought to the naked eye. I doubt if another picture could be produced that meets with such approval and is so interesting of things that are sacred to the Southern heart, as this one. The causes that produced the war were forced on the Southern people and could not be avoided by them with honor.

Trustees of the State negro college at Orangeburg have decided to erect three buildings to take the place of the large dormitory which was destroyed by fire several weeks ago.

URGES DELEGATES TO ATTEND.

Secretary Stubbs Gives Information to Those Who Wish to Attend State Sunday School Convention.

The State Sunday School Convention will meet in Charleston on May 3, 4 and 5. The first session of the convention will be Wednesday morning, May 3, at 10 o'clock. All sessions will be held in the Citadel Square Baptist church. Each Sunday school is entitled to three delegates, besides pastor and superintendent. A registration fee of 50 cents will be charged each delegate. Registered delegates will be given a copy of the song book, a souvenir program with pencil and note book, a souvenir badge and a year's subscription to the Sunday School Reporter. No delegate will be assigned to a home until he registers. All travel will be met by committees.

The railroad has granted a rate of about one and one-third fare from all points in the State, and I sincerely trust that the Game Cock county will be well represented at this convention.

C. E. Stubbs,
Sec. and Treas.

William S. Cook Dead.
Timmonsville, April 11.—William S. Cook, one of the most prominent men of Timmonsville, died at his home on Railroad avenue this afternoon about 2 o'clock.

Mr. Cook's health for some time had been gradually failing. On Thursday night he became ill and had been confined to his bed since that time. He was 57 years of age and for the past 16 years was in the employ of the C. A. Smith company. He has been one of the leading workers in the Timmonsville Methodist Episcopal church, South; treasurer of Benton lodge No. 26, A. F. M., for about 18 years, and a co-worker in all work for the welfare of the people. In his death Timmonsville loses a man that was held in the highest esteem and loved by not only the people of this town and the surrounding community but by every one that knew him.

He is survived by his wife, two step children, Miss Henrietta Hamel of Timmonsville and R. W. Hamel of Raleigh, N. C., and two sons, Henry Cook, who is at home, and Willie Cook who is at Clemson college. Funeral services will be held at 4 o'clock Wednesday afternoon.

Mr. DesSausure Hall has returned home from Hopewell, Va., where he has been employed in the DuPont powder works for several months. Mr. Hall has been suffering from rheumatism and malaria and has come here to recuperate. He reports much sickness from these two diseases at Hopewell.

Candidate's Cards.
Announcements of candidates will be printed in this column until the close of the campaign for \$5. No cards accepted on credit.

At the request of my friends I announce myself as a candidate for the 7th Magisterial District, subject to the rules of the Democratic party. I am in the race to a finish if I don't get but one vote.

Consistency

YOU want a motor car that will serve you consistently. You want to know that your car can be relied upon day in and day out. You want high mileage per gallon of gasoline and freedom from repairs and readjustments. And you want these things, not occasionally, but continuously—day after day.

On these qualities the Maxwell has made good. It has proved its worth. When the Maxwell stock touring car set the World's Motor Non-Stop Mileage Record a short time ago it travelled for 44 consecutive days and nights and its performance was consistent.

It went about 500 miles each and every day. It went within a small fraction of 22 miles to every gallon of gasoline. It went the whole distance of 22,000 miles—probably further than you would travel in two years—without any repairs or readjustments. Every one of eight tires (two sets) went just about 9,000 miles and the others finished in good shape. For consistency and reliability this record far exceeds anything we ever heard of.

You can get a Maxwell, an exact duplicate of the record breaking stock car, on the partial payment plan we have perfected. All you have to do is to make the initial payment, then take the car and pay the balance as you ride. The unusual value of the Maxwell, together with our easy payment plan of purchase, is bound to dispose of our allotment of cars very quickly. Better make your reservation now; delivery later if you prefer.
